Coverstyl' is a new and exciting way of renovating interiors; now it has never been easier to carry out a refurbishment project, whether that is an Office, Hotel, Restaurant, Bar, Home or a Kitchen!

It can be applied to virtually any interior product or surface including walls and doors and even furniture and fittings! Coverstyl' is a highly cost-effective and low-maintenance vinyl film or covering, that is both quick and easy to apply, and offers additional benefits such as resistance to UV rays and fire.

It is rated A+ on VOC tests (indoor emissions); it is UV resistant and fire resistant. It has the ability to shrink under heat, thereby facilitating a perfect application. There are over 300 styles - plenty to release your creativity.
